Only available with turquoise coating.

## **WORKS SHOWA SUSPENSION** 2014-2021 KX85/100 MODELS

### **THE KIT**

Pro Circuit now offers Showa Works Suspension for the Kawasaki 2014-2021 KX85/100. Using the same technology as the Monster Energy/Pro Circuit/Kawasaki racing team, the Showa Works Suspension for the '14-'21 KX85/100 uses the same race team coatings, larger inner and outer fork tubes, larger shock body and CNC-machined fork lugs and shock clevis for the ultimate in strength, handling and control.

Pro Circuit's Showa Works Suspension for the '14-'21 KX85/100 has earned wins and podium finishes since its debut at the 50th Annual Mammoth Mountain Motocross. Team Green riders like Drew Adams and Ryder DiFrancesco have achieved success on the new Showa Works Suspension and that same technology is now available to you.
